WHAT DID BUTTE FANS DO?

Spokane Dispatch Says They Will Have to Stand for Jack Grim.

Spokane, Jan. 31.—Spokane, Matt Stanley; Butte, Jack Grim; Bellingham, Swindell; Vancouver, Charley McIntyre; Everett, undecided for its manager; sixth city not settled.

These are the cities which will form the circuit for the Northwest league next summer. What is probably the strongest move made by the managers and officers of the Northwestern league is the increasing of the salary limit. The amount has not been fixed exactly, but will probably be near \$2,000 a month, which is nearly 50 per cent larger than prevailed last year.

Brand new parks are being built close in at Everett and Bellingham. In Everett the new park will be built just back of the Mitchell hotel, within a block of the business center of the town. At Bellingham it will be within ten minutes' ride from the center of the city.

Butte, the old park near the racetrack on the flats will be built up and refitted for use week days. Columbia gardens will be used on holidays and Sundays.

SEATTLE AFTER CASEY.

Offers \$1,200 for Release of Former Ogden Player.

Seattle, Jan. 31.—The Seattle club intends to put the strongest team on the field this year that ever represented that city. Money will not stand in the way when it comes to procuring desirable players. It has just looked into the case of Otto Floto, who would fit in nicely in Russell's infield. Floto was a second baseman, but Mike Fisher will need a few good men himself when he invades the field. As a matter of fact, the king is going to be a busy man this month and next scouring the country for talent. He has just found the child's play filling the shoes of Nordyke, Graham, Sheehan and Keefe, but Mike has his eye on some new talent already.

## CHANCE FOR PARKER.

Otto Floto Offers to Match Him With Dick Hyland.

Otto Floto of Denver is trying to match Dick Hyland and Kid Parker for a contest in Denver next month. Parker was the most popular fighter Denver ever turned out, and at one time was a serious candidate for championship honors in the lightweight division. Then he met defeat and started down hill. He was considered a dead end and could not get on as a preliminary. During the past year Parker has been located at Spokane and has won a number of fights against good men. He is now considered good enough to go against top notches again and may be one of the next cards at Denver.

## BOY CHAMPION HOME AGAIN

Willie Hoppe Tells of His Great Billiard Victory Over Vigneaux.

New York, Jan. 31.—Willie Hoppe, who won the world's billiard championship at the 181 balk game by defeating Maurice Vigneaux in Paris on Jan. 10, arrived here last night on the H. R. M. and met his friend Kaiser Wilhelm Der Grosse. He said: "Vigneaux is a great player. Ten days before the match the odds were 4 to 1 on Vigneaux, but they evened up as the game progressed. He was exceedingly nervous at first, while Vigneaux was composed. After I made a few shots I was as cool as my opponent. When the game was over I shook hands with Vigneaux. He stepped on me on the shoulder and said: 'My boy, there is not a man in the world who can beat you at 181-balk billiards, one shot in.' I heard just before leaving Paris that Vigneaux had challenged me. I can't say what I shall do until I am notified officially."

## GRAVES HOLD JOB

Old Fire Chief Declares His Appointment Holds Until November, 1907.

G. A. Graves, who has served four years as fire chief of Ogden, has declared war on the present administration, and says that the naming of T. J. Paine as his successor by the mayor was not according to the law. Therefore he refuses to give up his position, although the change was scheduled to take place today, and he will fight the matter to the finish. It is regarded as probable that former Mayor William Glasman was preparing just such an outcome when he made the city appointments for his last term of office. In November of last year, after the city election had been held, the ex-mayor was elected to office a month time, but did not send in any appointments, but permitted the office holders of his previous term to hold the office until Nov. 15, 1907. Mayor Conroy, when he was elected, was confirmed. These appointments were made after Dr. Conroy had been elected mayor. Now the fire chief appointed by Glasman holds that he is entitled to hold the office until Nov. 15, 1907. Mayor Conroy, when approached on the subject yesterday, said: "I guess the office of the chief of the fire department will be filled by the person appointed last Monday evening, the same as the rest of the city officers."
